

Fall 2026

To Our Valued Neighbors:

WAMDA, the Western Area Massachusetts Dietetic Association, is a voluntary, non-profit association that promotes optimal nutrition and well-being for our community, its people and nutrition professionals. We strive to provide robust continuing education opportunities for dietitians, offer hands-on health and wellness education for community members and support programs that help feed those in need, such as Rachel's Table and The Food Bank of Western Massachusetts - raising over \$100,000 to help fight food insecurity in our local communities.

In addition, WAMDA gives back to the profession of dietetics by providing an annual Student Scholarship Award and hosting a Registered Dietitian (RD) Day Event for local dietitians and nutrition students.

We also have a "Find a Dietitian" resource page on our website, where community members can locate practicing dietitians within the Western Mass region - giving individuals access to trusted science-based nutrition guidance.

In order to maintain our efforts within the communities we serve, we are asking for Sponsorship to support all of the wonderful activities we have planned for the 2026-2027 board year, which runs September 2026 to August 2027. Please refer to the following page for Sponsorship Levels.

We hope you support us this year in our efforts to help nourish, support and educate our communities.

For more information, please visit our website at <https://www.wamda.org>.

Thank you in advance for your wonderful support!

Sincerely,

WAMDA Board of Directors
