

Spring 2026

Hello Friends:

WAMDA, the Western Area Massachusetts Dietetic Association, will hold a Women's Health Conference on April 11, 2026 from 9:00 AM – 1:00 PM at the Holyoke Community College MGM Culinary Arts Institute. As a group of Registered Dietitians and nutrition professionals in the Western Mass area, we care about our community and are pleased to support ongoing education for professionals and residents about evidence-based nutrition and health recommendations that affect us all. We have dynamic speakers lined up with topics ranging from the latest on GLP-1s, to strength training, and perimenopause.

We are asking for sponsors along this theme to help with this effort. Your company name will be listed on the program and your monetary donation will be greatly appreciated. As part of your sponsorship, we will also have vendor tables available if you'd like to promote your business to event attendees.

Supporting levels are Bronze (\$100), Silver (\$250), Gold (\$500) and Platinum (\$1,000+). More information on Sponsorship levels can be found on the back side of this letter.
