

November 2019

Dear Supporter,

March is **National Nutrition Month**. To celebrate, the Western Area Massachusetts Dietetic Association (WAMDA), a non-profit organization, will hold our **27th Annual 5K Run/Walk and Health Fair** on **Saturday, March 7, 2020** to support **The Food Bank of Western Massachusetts**. The event will be held at Look Park in Florence, Massachusetts.

For the past 25 years, this event has joined the fight against hunger in our local community as well as increased awareness of healthful nutrition and fitness. The WAMDA 5K Run/Walk has drawn over 250 runners, walkers and supporters annually. Since the first race in 1993, we have raised over \$73,450 and have distributed that money to different agencies to help our neighbors in need.

**We would like to invite you to join us as a sponsor** for our 2020 race. We have attached a sponsorship proposal for your consideration. Remember, all money raised to support The Food Bank stays in Western Massachusetts. We are also including a race registration form with this letter. Please feel free to make extra copies to distribute to your employees and to mention this great benefit run in your newsletters.

Yours in good health,

*Katie Defoe-Raymond, MS, RD, LDN*  
*WAMDA 5K Sponsorship Coordinator*
